21 January 2014

Dear ██████████

The Point, Midsummer Boulevard, Milton Keynes

As you will know from our earlier letters we have been considering adding the above building to the List of Buildings of Special Architectural and Historic Interest, as a result of your application to issue a Certificate of Immunity (COI) for it.

We have now taken into account all the representations made and completed our assessment of the building. Having considered our recommendation, the Secretary of State for Culture, Media and Sport has decided not to add The Point, Milton Keynes COI to the List.

Accordingly we can confirm that the Minister hereby certifies that she does not intend to list the building.

Under section 6(2) of the Act, the effect of this certificate is to preclude the Secretary of State from listing The Point, Milton Keynes COI for a period of five years from the date of issue (being the date of this letter), and to preclude the local planning authority from serving a Building Preservation Notice (BPN) on the building during that period.

I attach a copy of our advice report, prepared for the Department for Culture, Media and Sport (DCMS), which gives the principal reasons for this decision.

Please do not hesitate to contact me if I can be of any further assistance. More information can also be found on our website at www.english-heritage.org.uk.

Yours sincerely

██████████
